

The art of public presentation

by Dr Alexandra Siklitckaia

asiklit@ichf.edu.pl

2nd week of December 2023, *in-person* at IPC PAS

The course focuses on the rules to be applied during the preparation and delivery of the scientific presentation. The theoretical knowledge related to the quality of audiovisuals, speaking, movement, and body language, will be used in practice to present a short talk during the final lecture.

There will be three classes, each lasting 2,5h + 10 min break (so 2h 40 min in total). Specific dates and hours will depend on the availability of the classrooms at IPC PAS and will be announced to the registered candidates as soon as possible.

To pass the course, you need to attend at least 2 out of 3 classes and give a 5 min presentation during the 3rd classes (so you need to be present during the 3rd class).

If interested, please send an e-mail to asiklit@ichf.edu.pl

13 first applications will be accepted. The deadline for applications is on the 15th of November. In case of more candidates, there will be a chance to run a second round of the course in the spring semester.
